# MESSAGE FROM THE PRESIDENT, DOMINIC REPPUCCI

Yes it's that time of the year again when all Altavillesi and friends get together to celebrate the Feast of San Pellegrino Martire. This will be our fourth Festa at The Annunciation Church and it promises to be bigger and better.

Our aim for the Festa is to reinforce and celebrate the culture and traditions of the Altavillesi community and educate younger generations about our traditions and our patron Saint. We welcome everyone to come along on the 20th January and enjoy great food and entertainment.

A special thank you to Fr Anthoni Adimai and Fr Michael Romeo for their guidance and support.

The Festa would not be possible without the generous and very welcome support of numerous companies, individuals and organisations. We sincerely appreciated what you have all done for this event.

Our sponsors have been identified in this publication and I would encourage you support those companies that have assisted with the Festa.

Finally, the work by the Altavilla Sports and Social Club Management Committee and the Festa Sub Committee, has been tireless and outstanding. Their time, energy and commitment will be rewarded with another great Festa.

## A historical perspective of the San Pellegrino Matire Festa in Adelaide by Antonio Bruno and Walter Iasiello.

Since the early immigration in the 1950's families from Altavilla Irpina have always had a special devotion to their patron saint - San Pellegrino Matire. It all began initially in Adelaide with Altavillese making donations to their Saint and home village for the poor and needy in Altavilla Irpina. Through door knocking around the metropolitan area Mr Pasquale Varricchio was the first person in 1956 to start the collection process. As more families arrived in Adelaide many other "paesani" continued volunteering their time and efforts in the annual collection and devotion to their saint.

As the Altavillese population in Adelaide grew the elders began discussions about establishing their own own local festa honoring San Pellegrino Matire. Their will was not to lose their village identities and Italian cultural heritage and to spend money on their own festa in Norwood.

In 1976 a group of Altavillese formed the San Pellegrino Matire Festa Committee inspired by Enrico Grande as the first President. The first committee included Nicola Iasiello - Secretary and Robert Forte - Treasurer and Committee members - Antonio Bosco, Armando Bruno, Francesco Bruno, Pellegrino Bruno, Antonio Carmelengo, Giovanni Ciampi, Giovanni Coscia, Francesco DiTroia, Dominic Mastrogiacomo, Renato Mastrogiacomo, Antonio Porcaro, Giuseppe Reppucci, Antonio Severino, Charlie Sabatino, Sabino Sabatino, Bernadino Tirri (Prospect), Bernadino Tirri (St Peters), Nicola Tropeano, and Pellegrino Vardaro.

Father Ambrose Byrne SJ, Parish Priest and Father Andrew Zerafa SJ of St Ignatius Church were instrumental in assisting the President and the committee with their first San Pellegrino church celebrations on 25th August 1977. The first Mass was celebrated by Father Ambrose Byrne SJ in Latin. The church was packed and was a great success, attended by a wide range of people including many Altavillese from the surrounding Norwood suburbs. The Mass paved the way for a new era for the church in planning for future celebrations mirroring the traditional SP Festa in Altavilla Irpina, Italy.

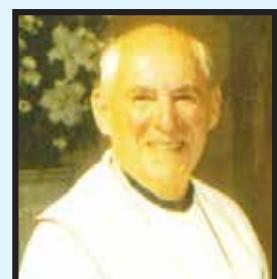

Given the success of the Mass and its patronage Father Andrew Zerafa SJ was assigned to continue the spirit of the movement of producing the first Adelaide San Pellegrino Martire festa. This was no small fete with many details to attend to ie stringing up to one kilometer of supporting wire, one kilometer of electric wire with 2000 fairy lights, supplying power to amplifiers, pie and pizza warmers, spaghetti cookers, obtaining various approvals. At one point they had to remove a complete fence to fit electrical equipment and then reinstall it at the end of the festa.

The 29th January 1978 saw the first San Pellegrino Martire festa. It was such a success the committee decided after so much work preparing for it, it was a pity to enjoy it so briefly. In January 1979, the celebrations extended from 2 pm Saturday to 11.00pm Sunday 29th. Mass was held at St Ignatius Church Norwood.

It was estimated 15,000 people participated in the celebrations which commenced in the morning through the streets of Norwood with a large Battenti procession group escorted by the police, Bishop Kennedy, Father Zeraffa SJ, four smartly dressed Carabinieri, the Giuseppe Verdi Band and the San Pellegrino Committee carrying an effigy of San Pellegrino Martire. The procession preceded the people's mass in the Church and the Italian Coral Society took part in the liturgy.

After mass, celebrations included traditional lunch of pizza, pasta, zeppolli, sfogliatelle, baba cakes and other Italian specialties. Later in the afternoon people enjoyed games, sideshows, contests and fine Italian food. Later at night festivities continued including cooking of sausages and steaks, singing, dancing and wine drinking. To top off festa celebrations, the St Ignatius grounds were lit with a spectacular fireworks display show.

## **"Una prospettiva storica della Festa di San Pellegrino Martire ad Adelaide" di Antonio Bruno e Walter Iasiello.**

Fin dalla prima migrazione negli anni '50, le famiglie di Altavilla Irpina hanno sempre avuto una devozione speciale per il loro santo patrono San Pellegrino Martire. Tutto iniziò ad Adelaide grazie agli Altavillesi che facevano donazioni al loro santo e paese d'origine per i poveri e i bisognosi di Altavilla Irpina. Nel 1956, Pasquale Varricchio fu la prima persona ad avviare il processo di raccolta delle donazioni, andando di casa in casa nell'area metropolitana. Con l'arrivo di nuove famiglie ad Adelaide, molti altri "paesani" hanno continuato a offrire volontariamente il loro tempo e a impegnarsi nella raccolta annuale di donazioni e negli atti di devozione per il santo.

Mentre la popolazione di altavillesi ad Adelaide cresceva, i più anziani iniziarono a discutere la possibilità di una festa locale in onore di San Pellegrino Martire, poiché non volevano perdere il contatto con le loro origini e con il patrimonio culturale italiano, e volevano usare le donazioni per dare vita a una loro festa a Norwood.

Nel 1976, un gruppo di altavillesi formò il comitato per la Festa di San Pellegrino Martire sotto la guida di Enrico Grande come primo presidente. Il primo comitato era composto da Nicola Iasiello (segretario), Robert Forte (tesoriere) e dai membri del comitato: Antonio Bosco, Armando Bruno, Francesco Bruno, Pellegrino Bruno, Antonio Carmelengo, Giovanni Ciampi, Giovanni Coscia, Francesco DiTroia, Domenico Mastrogiacomo, Renato Mastrogiacomo, Antonio Porcaro, Giuseppe Reppucci, Antonio Severino, Charlie Sabatino, Sabino Sabatino, Bernardino Tirri (Prospect), Bernardino Tirri (St Peters), Nicola Tropeano e Pellegrino Vardaro.

Il parroco, padre Ambrose Byrne SJ, e padre Andrew Zerafa SJ della Chiesa di Sant'Ignazio furono determinanti nell'assistere il presidente e il comitato con le loro prime celebrazioni in chiesa di San Pellegrino il 25 agosto 1977. La prima messa fu celebrata da padre Ambrose Byrne SJ in latino. La chiesa era gremita e fu un grande successo, con la partecipazione di moltissime persone tra cui molti altavillesi dalle zone circostanti a Norwood. La messa ha aperto la strada a una nuova era per la chiesa nella pianificazione di future celebrazioni che rispecchiano la tradizionale Festa di San Pellegrino ad Altavilla Irpina, in Italia.

Dato il successo della messa e del suo patronato, padre Andrew Zerafa SJ ha avuto il compito di portare avanti lo spirito del movimento che ha dato vita alla prima festa di San Pellegrino Martire ad Adelaide. Non si trattava di una piccola festa, c'erano molti dettagli di cui occuparsi; ad esempio: collegare fino a un chilometro di filo di supporto, collegare un chilometro di filo elettrico a 2000 luminarie, fornire elettricità agli amplificatori, agli scaldavivande, ai fornelli per cuocere gli spaghetti e ottenere vari permessi. A un certo punto è stato necessario rimuovere completamente una recinzione per fare spazio alle apparecchiature elettriche e poi installarla nuovamente alla fine della festa.

Il 29 gennaio 1978 si tenne la prima festa di San Pellegrino Martire. Fu un tale successo che, dopo tanto lavoro di preparazione, il comitato realizzò che era un peccato godersi la festa per così poco tempo. Nel gennaio 1979, le celebrazioni si sono protratte dalle due di sabato pomeriggio alle undici di sera di domenica 29. La messa venne celebrata nella chiesa di Sant'Ignazio a Norwood.

Si stima che 15.000 persone abbiano partecipato alle celebrazioni che hanno avuto inizio la mattina per le strade di Norwood con una grande processione di Battenti scortati dalla polizia, il vescovo Kennedy, padre Zeraffa SJ, quattro carabinieri elegantemente vestiti, la banda Giuseppe Verdi e il comitato di San Pellegrino che portava un'effigie di San Pellegrino Martire. La processione ha preceduto la messa in Chiesa e l'Italian Choral Society ha preso parte alla liturgia.

Dopo la messa, le celebrazioni sono proseguite con il tradizionale pranzo italiano di pizza, pasta, zeppole, sfogliatelle, dolci di babà e altre specialità italiane. Più tardi nel pomeriggio la gente si è divertita con giochi, attrazioni, gare e buona cucina italiana. La sera la festa è continuata con la cottura di salsicce e bistecche, canzoni, balli e vino. Per completare le celebrazioni della festa, uno spettacolo pirotecnico ha illuminato il cielo sulla chiesa di Sant'Ignazio.

## **San Pellegrino Matire and Altavilla Irpina by Pia Bosco**

San Pellegrino was born in Rome when the Roman Empire was non-Christian. Under the rule of Emperor Commodus, the Christian community, during this period, was persecuted for practicing their faith. Pellegrino who had a strong Christian faith, relinquished material possessions and, without fear, turned to the streets of Rome to preach the Gospel and to help the poor. He and three others (Eusebio, Pontian and Vincenzo) were captured by Roman soldiers and imprisoned. Pellegrino resisted all attempts by the soldiers to bribe him and as a result he was tortured and brutally murdered in 192 AD on August 25th. He was martyred and his remains placed in the Catacombs of Ciriaca in Rome.

The connection that San Pellegrino has with Altavilla Irpina began many centuries later in 1780. At that time, the people of Altavilla Irpina desired a saint as a patron/protector. Father Giuseppe Maria Crescitelli (great uncle of the future Saint Alberico Crescitelli of Altavilla Irpina) appealed to Pope Pius VI who accepted the request. Crescitelli, accompanied by Monsignor Landini, a bishop, went to the Catacombs of Ciriaca to select a martyr.

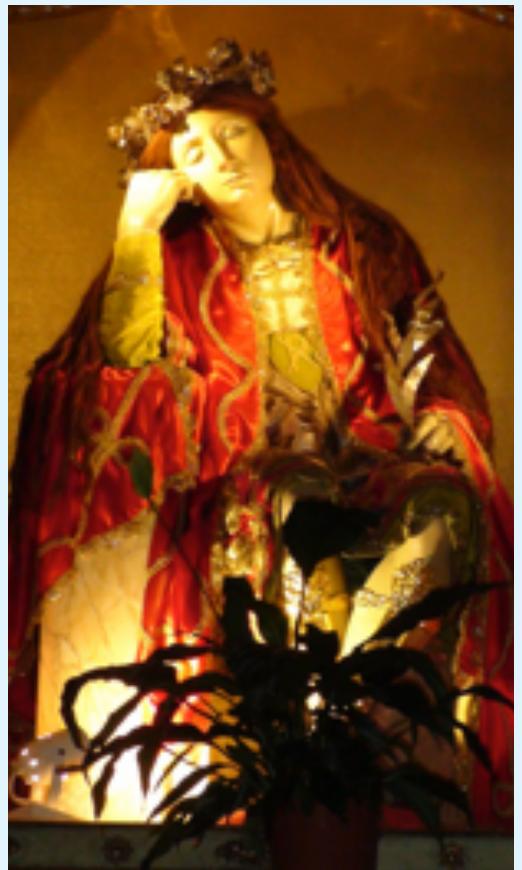

For three consecutive days, the two men, walked through the Catacombs with the intention of choosing a martyr. Each day they heard a noise as they passed the niche that contained the relics of San Pellegrino. They interpreted this as a sign from San Pellegrino that he wanted to go to Altavilla Irpina. It was decided then that San Pellegrino would be the saint for Altavilla Irpina.

The relics of San Pellegrino were taken to Altavilla Irpina on the 11 April, 1780 and were eventually permanently placed in the main church and so began the tradition each August of the annual San Pellegrino Feast. It was in this same church in August 1896, that 9 year old Francesco Forgione, attending a San Pellegrino feast day mass with his father, witnessed the miraculous healing of a deformed child. The 9 year old boy was the future Padre Pio, and many say that it was this experience that helped convince him to enter the priesthood.

San Pellegrino, due to the miracles attributed to him, has attracted many devotees, not just from Altavilla Irpina but surrounding provinces also. On his Feast Day of August 25th, the Battenti, dressed in their characteristic white with red sash, proceed along the main streets to the shrine of San Pellegrino in the main Church of Altavilla. Their march is punctuated by the intermittent sound of horns to break the silence. Upon arrival at the Church entrance, they enter, proceeding on all fours with their face close to the ground, until they reach the altar where the relics of San Pellegrino are held. It is a unique and emotionally moving experience.

Since 1977, the Altavillesi community of South Australia have celebrated the Feast Day of San Pellegrino in Adelaide.

## **"San Pellegrino Martire e Altavilla Irpina" di Pia Bosco**

*San Pellegrino nacque a Roma quando l'Impero romano era anti-cristiano. Sotto il dominio dell'imperatore Commodo, i cristiani erano perseguitati a causa della loro fede. Pellegrino, la cui fede cristiana era forte, rinunciò ai beni materiali e percorse senza paura le strade di Roma per predicare il Vangelo e aiutare i poveri. Pellegrino e altri tre uomini (Eusebio, Ponziano e Vincenzo) furono catturati e imprigionati dai soldati romani. Pellegrino resistette a tutti i tentativi dei soldati di corromperlo e per questo fu torturato e brutalmente assassinato il 25 agosto del 192 d.C. Fu martirizzato e i suoi resti vennero collocati nelle Catacombe di Ciriaca a Roma.*

*La connessione tra San Pellegrino e Altavilla Irpina ha origine molti secoli più tardi nel 1780. A quel tempo, gli abitanti di Altavilla Irpina desideravano un santo patrono/protettore. Padre Giuseppe Maria Crescitelli (prozio del futuro San Alberico Crescitelli di Altavilla Irpina) si rivolse a Papa Pio VI che accettò la sua richiesta. Padre Crescitelli, accompagnato dal vescovo Monsignor Landini, si recò nelle Catacombe di Ciriaca per scegliere un martire.*

*Per tre giorni consecutivi, i due uomini percorsero le Catacombe per scegliere un martire e ogni volta che passavano davanti alla nicchia che conteneva le reliquie di San Pellegrino sentivano un rumore. Lo interpretarono come un segno che San Pellegrino voleva andare ad Altavilla Irpina e fu dunque deciso che San Pellegrino sarebbe stato il santo di questa città.*

*Le reliquie di San Pellegrino vennero portate ad Altavilla Irpina l'11 aprile del 1780 e in seguito furono collocate in via definitiva nella chiesa principale. Iniziò così la tradizione annuale della festa di San Pellegrino ad agosto. Fu in questa stessa chiesa, nell'agosto del 1896, che Francesco Forgione, un bambino di nove anni che partecipò alla festa di San Pellegrino con il padre, assistette alla guarigione miracolosa di un bambino deforme. Quel bambino di 9 anni era il futuro Padre Pio e molti dicono che fu questa esperienza a fargli decidere di entrare nel sacerdozio.*

*San Pellegrino, grazie ai miracoli a lui attribuiti, ha attratto molti devoti, non solo da Altavilla Irpina ma anche dalle province circostanti. Il 25 agosto, il giorno della sua festa, i Battenti vestiti con il loro caratteristico abito bianco con la fascia rossa, procedono lungo le strade principali fino al santuario di San Pellegrino nella chiesa principale di Altavilla. La loro marcia è interrotta dal suono intermittente di trombe che rompe il silenzio. All'arrivo all'ingresso della Chiesa, i Battenti entrano, procedendo a quattro zampe con la faccia vicino al pavimento, fino a raggiungere l'altare dove si trovano le reliquie di San Pellegrino. È un'esperienza unica ed emozionante.*

*La comunità di altavillesi in Sud Australia celebra la festa di San Pellegrino ad Adelaide dal 1977.*

The San Pellegrino Martire Festa continues to be a joyous celebration of faith and family. It brings together members of the Altavillesi community and people from across South Australia.

The festival evokes the cultural and religious traditions of Campania and reminds us of the immeasurable contribution made by the Italian community to our State.

South Australia and its culture is far richer because of this contribution.

I commend the Altavilla Irpina Sports & Social Club for graciously sharing this occasion with the people of South Australia.

# BIRRA MORETTI

# A GENUINE ITALIAN STORY

THE AUTHENTIC RECIPE SINCE 1859

BIRRA MORETTI, DA SEMPRE È PORTABANDIERA DELLA CULTURA ALIMENTARE ITALIANA, ATTENTA ALLA QUALITÀ E ALLA GENUINITÀ DEL GUSTO. AUTENTICA DAL 1859: UNA BIRRA DAL GUSTO PIENO E DAL COLORE DORATO, ANCORA PRODOTTA SEGUENDO LA SUA TRADIZIONALE RICETTA.

BIRRA MORETTI WAS FOUNDED IN 1859 AND IS STILL BREWED TODAY FOLLOWING ITS TRADITIONAL RECIPE TO CREATE A FULL-BODIED GOLDEN BEER. KNOWN FOR ITS QUALITY AND AUTHENTICITY OF TASTE, BIRRA MORETTI IS THE AMBASSADOR OF THE ITALIAN FOOD CULTURE.
